

Who would you most like to be introduced to?

How did you feel the last time you helped someone and it worked out well?

What motivates you to refer other people?

Quality product or service

We all win

Knowing Ive been helped and supported through difficult times.Makes me feel good and appreciated.

To help + support the growth of others

I love to help

Paying it forward, adding value to my clients, referrals back, SALES SALES DEALS!

Helping them with their career if I'm able and they're stuck

Seeing a win-win opportunity

The way in how they ask

What motivates you to refer other people?

To support others
