

The Relational Intelligence Engine

Use AI to plan. Show up as a human.

AI - Strategise & Plan

Background intelligence • Trigger the action

HI - Connect & Belong

Your personal responsibility • Act on that

Phase 1 Build

Research before you reach out

Priorities, context & common ground

Make the first contact yourself

Authentic, personal, in your voice

Map your relationship landscape

Identify gaps in your Relationship Matrix

Establish genuine common ground

Connect and explore

Identify warm introduction paths

Who in your network can connect you?

Show curiosity - Ask & listen

No AI can replicate your attention

Phase 2 Nurture

Trigger timely follow-up prompts

Role changes, milestones & news alerts

Be there at the moments that matter

Offer help before they ask

Sense-check your self-orientation

Are you making them the star?

Forge intimacy through honesty

Trust deepens here

Surface shared interests & values

Strengthen credibility & reliability

Introduce & advocate for others

Generosity builds relational capital

Phase 3 Leverage

Identify blind spots & gaps

Who is missing from your matrix?

Ask & be specific

Mutual value exchange

Prepare for high-stakes meetings

Brief, plan & anticipate needs

Have the human conversation

Influence, persuade & co-create

AI triggers the action. You take it.
Connection is never automated.
